

**Alg. 2 Warm Up # 10-3**

\*\* Check out a scientific calculator if you need one for the test. Figure out how to take a square root and a cube root.

Try:  $\sqrt[3]{8} = 2$

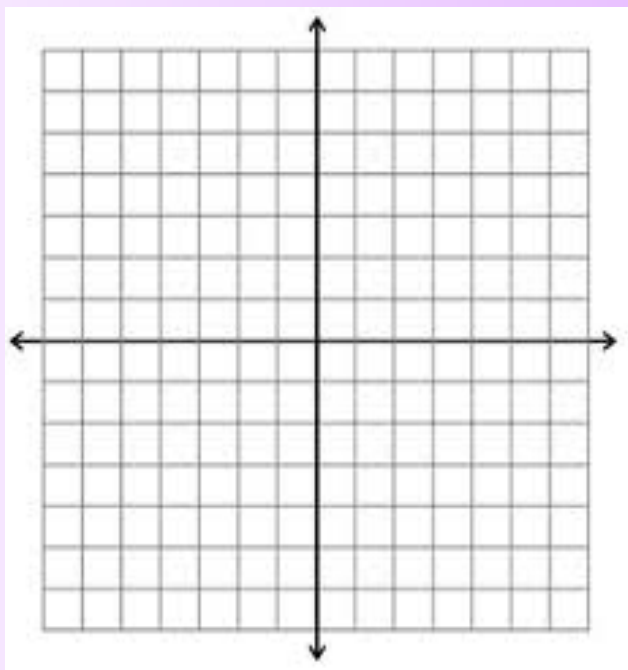

1. Write an equation for the graph, state the domain and range:

Purple WS

One last practice

$$y = \frac{1}{x + 4} - 5$$

Test Time.

HW: Green worksheet,  
Prep for Chapter 3
